THE COUNCIL FOR TOBACCO RESEARCH–U.S.A., INC.

August 5, 1974

Grant application No. 814A

CARDIOVASCULAR

To: The committee comprising Drs. Bing, Liebow, Sommers

Subject: Una S. Ryan, Ph.D., Papanicolaou Cancer Research Institute, Miami, Florida
Continuation application No. 814A
"Endocrine Functions of the Lungs"

History

CTR Grant No. 814 "The Role of Endothelial and Epithelial Cells in Non-Ventilatory Functions of the Lungs", with renewals, is now completing a three year program approved for 1972 through 1974.

Although the enclosed has a new title, the proposal essentially is a continuation of the same study.

Request

Application No. 814A requests $37,902 plus two additional years. As a "continuation" it competes on the same basis as a new application.

Documents submitted (attached)

1. Application 7/30/74, with C.V.'s of Drs. U. S. Ryan and J. W. Ryan.

2. Reprint of the paper checked on Page 9-13 of the application.
